- 1999 M.Phil. International Peace/Conflict Studies (Focus: Environment)
International Peace Studies Program, University of Dublin, Trinity College, Ireland
- 1998 B.A. Political Science | Certificate in Legal Studies
Department of Political Science, University of Tulsa
- 1997 Study Abroad (1yr) Public International Law (12hrs), Political Theory (12hrs), and EU Studies (6hrs)
Old College School of Law and Social Sciences, University of Edinburgh, Scotland

PROFESSIONAL EMPLOYMENT

- 2007 – Present COMMON Foundation (Non-Profit)
Founder, President, and Chairman of the Board

COMMON Foundation serves the non-profit and philanthropic interests of COMMON which consists of 225+ social ventures | 27 industries | 20 countries as well as the needs of external clients. We are a think tank and an incubator for non-profit ideas, social enterprises, and ventures creating positive social and environmental impacts.

Established in 2007, my original aim of was to support and promote the non-profit and philanthropic goals of individuals, families, companies, philanthropists, and social entrepreneurs leading individual, social, cultural, and environmental transformations. In 2014, we partnered with COMMON, in 2018 we rebranded the Futurity Foundation as the COMMON Foundation to officially serve as COMMON's non-profit and philanthropic arm.

We've launched dozens of projects since our founding in 2007. After a decade of experience working in research, impact investment, philanthropy and non-profit sectors, we've expanded our services: fiscal sponsorship for non-profit projects, donor-advised funds, conduct philanthropic advising, set up and execute scholarship programs, conduct legacy research and development, develop foundation, non-profit, and impact investment strategies, and provide a full suite of consultative services.

Lead the Board of Directors, oversee the management of the Foundation, from the development of a long-term strategic vision to budgeting, the establishment of operational plans and systems to achieve Foundation goals and remain compliant with

Matthew Wilburn King, Ph.D.

Curriculum Vitae

• CELL 202.386.1414 • environment@me.com

non-profit law while vetting fiscally sponsored projects, donor-advised funds, partnerships and conducting oversight.

Conduct research to support and advise on the development of social entrepreneurial projects and programs (R&D). Projects vetted and approved under my leadership include: Boulder.Earth, Dragons Global Education Fund, Garcia-Meza Scholarship Program, Nueva School Scholarship Program, Infuse2, Sidney and Phyllis Krystal Foundation, Global Brain Foundation, 17 Accelerator, FearLess Revolution; Mountain Flower Goat Dairy; Nepal Earthquake Relief Efforts; Mountain Rivers Institute; National Park Experience: a film series; Boulder Mudslingers - Community Organized Flood Relief; Wild Horse Project; Power of Hope Kibera; Little Guy Certified; Farm to Restaurant Survey Project; Burger Documentary; etc.).

2014 – Present COMMON LLC (Private)

President of Non-Profit and Philanthropic Services, 2018 - Present

Serve as the President/Chairman of the COMMON Foundation. Work directly with COMMON LLC's CEO, Mark Eckhardt. COMMON was founded by Alex and Ana Bogusky, John Bielenberg, and Rob Schuham in 2010. COMMON is a creative accelerator and community for social businesses and projects. We help social entrepreneurs build, launch, and promote products and ideas that take care of the planet and all the creatures on it.

Consultant - Strategic Adviser to CEO, Research & Development, Lead Creative Insurgent, 2015 – 2018

Serve as Strategic Adviser to the CEO, Mark Eckhardt, and as a Lead Creative Insurgent. Common LLC and Futurity Foundation began working in partnership in 2014 serving as the non-profit and philanthropic arm for COMMON until 2018 when Futurity rebranded and officially joined the network of COMMON branded companies. The COMMON brand was formed on the belief that entrepreneurs could fix some of the things about capitalism that aren't working. To that end, we designed a membership and acceleration program that doesn't require giving up equity or relocating for 3 months.

Consultant - Lead Creative Insurgent, 2014 – 2015

Work collaboratively with external clients and creative teams to build, launch and accelerate brands for social impact. Lead efforts internally and externally as relates to non-profit and philanthropic goals. Advise on growth, planning, organizational architecture, and institutional design to achieve goals.

Matthew Wilburn King, Ph.D.

Curriculum Vitae

3980 Broadway, Suite 103-PMB-164 • BOULDER, CO • 80304

• CELL 202.386.1414 • environment@me.com

2012 – 2013 One Earth Future Foundation
Research and Development (R&D)
Founder's Researcher | Senior Research Associate

Advised the Founder on OEF's growth, planning, organizational architecture, and institutional design. Worked directly with the Founder to conceptualize, create, and develop a long-term strategy. Advised the CEO on technical and strategic elements for implementation of OEF objectives.

Conducted research and wrote on topics of interest to the CEO (e.g. food security and population growth; residential fellowship program development; addressing corruption in development; solving the globalization paradox; and evolutionary theories of governance).

Published written work with the Deputy Director of Research and Development and assisted with the development of novel research questions to support OEF's research mission. Two publications were written for the World Watch Institute's State of the World 2014, *Governing for Sustainability*.

Conduct research on alternative environmental governance architectures, both formal and informal, and their role in addressing the nature of, sources of, and impacts of conflicts related to practices in forestry, fisheries, agriculture, mining, and energy sectors.

2001 – 2007 United States Department of Commerce, National Oceanic & Atmospheric Administration
Oceanic & Atmospheric Research (R&D), Office of International Activities
Program Manager/Analyst, Sea Grant International | Latin America/Caribbean

Principal Investigator for a US Department of State Oceans, Environment, and International Scientific Affairs grant, leading Sea Grant International. Led the strategy and development of the conceptual, institutional, and policy framework to create university-based research, extension, and education programs for resource management in Latin America.

Served on the Climate Team and as Team Leader for International Partnerships and Funding Opportunities, securing more than \$2 million+ in external funding. Built support for the project within government agencies, with U.S. embassy staff and external partners, including universities and governments in the Latin American region. Served as liaison between NOAA Research and the Department of State, World Bank, Global Environment Facility, Inter-American Development Bank, USAID, NGOs and foreign governments.

Matthew Wilburn King, Ph.D.

Curriculum Vitae

3980 Broadway, Suite 103-PMB-164 • BOULDER, CO • 80304

• CELL 202.386.1414 • environment@me.com

Led to research team to conduct socioeconomic analysis in southern Honduras completing 368 household questionnaires in 21 coastal communities. Published U.S. Government technical documents. Completed inter-agency acquisition agreements, position papers, and multilateral and bilateral agreements to support U.S. environmental negotiations with foreign countries. Received a Bronze Medal award and a US Department of Commerce Leadership Award for "Leading NOAA Research efforts in the development and implementation of the Regional Sea Grant Program in Latin America." The White House included the efforts as a priority in the US Ocean Action Plan. The Marine Policy Journal published the results in May 2007.

1999 – 2001

United States Department of Interior
U.S. Fish and Wildlife Service, National Conservation Training Center
Conservation Training Specialist

Researched, designed, wrote, implemented, and evaluated six training programs for natural resource professionals in the US and foreign governments, NGOs, and the private sector (e.g. Education and Outreach, Nature and Commerce in Communities, Human Dimensions of Wildlife, News Media, Wildlife Trade).

Detail Assignment: Researcher/Conflict Analyst, Ecological Services Field Office
U.S. Fish & Wildlife Service, Juneau, Alaska

Conducted conflict analysis of the Alaska Working Group on Cooperative Forestry/Fisheries Research. Engaged stakeholders in the conflict, federal and state resource agencies, native and regional corporations, fishing and timber companies, and environmental interest groups and provided strategic recommendations.

Detail Assignment: Researcher/Strategic Advisor, Congressional/Legislative Affairs
U.S. Fish and Wildlife Service, Office of the Assistant Deputy Director of External Affairs, Public and Congressional and Legislative Affairs

Researched, consulted and advised on strategy, Convention on International Trade in Endangered Species (CITES), and the designation of critical habitat under the Endangered Species Act (ESA) and prepared congressional briefings.

1998

United States Department of Justice
U.S. Probation Office, Federal Courthouse
Senior Research Intern, Spring

Researched and analyzed criminal backgrounds to complete descriptive evaluations for inter-office collateral investigations for the U.S. probation office. Researched pre-trial

Matthew Wilburn King, Ph.D.

• CELL 202.386.1414 • environment@me.com

and pre-sentence conditions and presented them to Officers, Magistrates, and Federal

Judges in the form of pre-trial and pre-sentence reports. Maintained close and continuous lines of communication with U.S. Probation Officers, Federal Judges, U.S. Marshals, and U.S. Attorneys on pending cases.

Monitored probation files. Interfaced with city, county, state, and federal officials. Executed NCIC and Tracis criminal research. Investigated and participated in interviews with individuals arrested or in violation of their probation.

1997 – 1998 University of Tulsa, Student Association
Executive Manager

Supervised and administered international programs, public relations, campus elections, organizational board coordination, educational programs, special events, on-campus entertainment, philanthropy, and web development. Negotiated all contracts, agents, and financial matters. Managed the budget.

1994 – 1995 JJT Enterprises and Ferguson Management Group Inc.,
Public Relations Assistant/Community Engagement

Led Christmas for Kids (Operation Rudolph) benefiting over 600 less-fortunate children. Planned, raised funds, developed corporate partnerships, recruited volunteers, developed the media campaign and public relations materials, and coordinated the attendance of congressional representatives and local politicians.

1991 – 1993 Cunningham Marketing and Field Services (CRG Global)
Field Researcher | Data Collection

Identified a comprehensive sample of respondents to meet research needs of clients. Completed interviews with research participants. Executed data collections and delivered results. Applied detailed data collection protocols.

TEACHING EXPERIENCE

2016 University of Colorado, Boulder
Sustainability and Social Innovation Residential Academic Program (SSI RAP)
Affiliate of Environmental Studies

Academic Instructor

- Taught Sustainability, Social Innovation and Entrepreneurship (SSIR 1010)
- Taught Introduction to Environmental Studies (ENVS 1000)

Matthew Wilburn King, Ph.D.

EXTERNAL ACTIVITIES

2008 – Present Actor, Director, Creative Consultant, Writer, and Instructor

Stage: Performed as a part of the Ensemble for the Shakespeare Theatre Company's production of Julius Caesar in Washington, DC (2008), directed by David Muse. Performed with the Upstart Crow Theater Company in Lady Windermere's Fan (Parker) by Oscar Wilde (2008); Twelfth Night, or what you will (Captain and Priest) by William Shakespeare (2015); and The Flies/Les Mouches (Zeus) by Jean-Paul Sartre (2015).

TV/Film: Creative Consultant and "Bartender" for the film \$927 (2008); produced by Unfunded Mandate Productions and Directed by Andrew Satter. Directed my first short film titled, "Through the Eyes of Hope" (2009), produced by Old Style Films in Washington DC. The film used the backdrop of a regimented and tightly controlled patriarchal dystopia to explore the extremes of masculine and feminine gender roles. In 2010, I performed the role of "Chad" in a comedy series called Downstage Confessions - a series about actors in Washington DC, Directed by Peter Stray. Actor, Public Service Announcement, Swordfish Campaign, Turtle Island Restoration Network (2015), "Bob/Diner 1," Directed by Joanna Nasar; Actor, Public Service Announcement, Say No To Driftnets Campaign, Turtle Island Restoration Network (2016), "Beach Dude," Directed by Cassandra Hein; Actor, Public Service
